Leave It On.....*Music & Lyrics: Erik Babaians*

Leave It On

*Leave it on; oh, I will leave it on,
There will never be two friends like you and I
Leave it on; let's just leave it on
For friendship is forever after all*

*When a friend is determined, his boundaries he'll transcend
Right or wrong, weak or strong, he will fight to the bitter end.
And if this fight destroys it all and when that friendship is gone
Like a star in the sky, its light will carry on.*

*So, let the tears of friendship draw
A closure with a simple song
I wish you farewell; I wish you love.
For every wonderful thing you've done
For every meaningful thing you've taught me
I'll light up a candle and ...*

*Leave it on; oh, I will leave it on,
Friendship's light glows brighter than the sun
Leave it on; let's just leave it on
It's the least that I should do; I'll leave it on.*

Happy Holiday
Merry Christmas and a Happy
New Year
